DECLARATION OF INCORPORATION

(in accordance with annex II B of Machinery Directive 2006/42/EC)

Manufacturer : KIRLOSKAR OIL ENGINES LIMITED,
Plot D/1, Five Star MIDC, Kagal, Hatkanangale Industrial Area,
Village: Talandage Dist.: Kolhapur – 416 202, Maharashtra – (India)

Corporate Office : KIRLOSKAR OIL ENGINES LIMITED,
Laxmanrao Kirloskar Road, Khadki, Pune – 411003, Maharashtra - (India)

Product Designation : Emergency Standby / Stationary Fire Pump Diesel Engine.

Intended Application : For Fire Protection / Fighting Application

Model Identification : KFP6S-UF35

We, Kirloskar Oil Engines Limited, Pune hereby declare that the above equipment / product fulfills all of the relevant requirements of applicable EU Directives and details of which are contained in the Technical Construction File

EU directives applied:

Machinery Directive : 2006/42/EC

Low Voltage Directive: 2006/95/EC

EMC Directive : 2004/108/EC

The following harmonized standards were used.

EN ISO 12100:2010 : Safety of machinery - General principles for design - Risk assessment and risk Reduction

EN 60204-1:2006 / AC 2010 : Safety of machinery - Electrical equipment of machines -- Part 1: General requirements

KOEL Fire Protection / Fighting engines are intended solely for use as diesel engine fire pump drivers. These engines will produce high temperatures, exhaust gases, pressurized fluids and have various rotating parts and electric components which can produce high electric currents, therefore, requires strict conformance to safety measures during installation and operation to reduce risk from these hazards. Installation of this engine should only be performed by properly trained specialists.

By design & construction, the machinery considered (within the scope of supply) as a component, comply with the essential requirements of the above directives, provided that the installation be realized correctly.

This equipment shall not be put into service along with any other equipment without establishing the conformity of the same to the corresponding EU directives.

We hereby declare that this equipment is intended to be incorporated into OR assembled with other machinery to constitute relevant machinery to comply with the Essential Health & Safety Requirements of the machinery.

The criteria for selection safety requirements of other associated equipments and installation guidelines are detailed in the Instruction Manual.
